

ACPE

Spiritually Integrated Psychotherapy presents:

Level 2 Spiritually Integrated Psychotherapy Training

ACPE's Spiritually Integrated Psychotherapy (SIP) Training Program serves mental health professionals, (i.e, counselors, clinical social workers, marriage and family therapists, pastoral counselors, psychologists, psychiatrist, addictions specialists, graduate students, and others), in developing knowledge, skills and ways of being for effectively and ethically addressing spirituality, religion, and search for meaning in mental health care. ACPE's SIP Training curriculum is presented in two levels, with Level 1 being a prerequisite for Level 2.

- ❖ Level 2 training includes five 3-hour courses which describe foundations and ethics for Spiritually Integrated Psychotherapy, describe and role play methods for developing spiritual conversations, conducting spiritual assessments, and applying interventions for working with spiritual resources and spiritual struggles.
- ❖ Continuing Education Credit available for Level 2 SIP Training: 15 NBCC, ASWB & NYSED credit hours.
